## HALO News 9-14

### Clumber Park....Robin Hood Trophy

Lots of people, lots of brambles, lots of paths and lots of winners, a typical Sunday Orienteering really.

Because this was a competition event, NOC very kindly published the age class results alongside course results, making my job much easier. You can check them out here, <http://www.cix.co.uk/~neper/rht2014/bycourse.pdf>

However I'd like to give credit to those who won their age classes, Brian Ward (running up) won the M40s, Helen Smith won W35L, Rosie Field won W40s, Isoldt Harris won W55s and George Van Dam won M14A.

Other notable performances were John Butler, Jake, Joe & Yasmin Field, Amanda Ward, Paul and Emma Van Dam.

I had high hopes for the day, only for them to be dashed on the second control.....and the 15th! After a couple of excursions "off piste" I decided to stick to the paths and then kindly held a gate open for a fellow runner, only for him to ignore me and vault the fence. Unfortunately, he easily cleared it and ran off, so no "You've been framed" moment.

The final LOG Night Score Cup event was at West Common Lincoln last week. HALO runners were tightly grouped, with Brian Hostad finishing 6th, Peter Harris 7th, Neil Harvatt 8th, Alex Smith 9th and Brian Slater 11th. I mentioned last week that there was a league within a league, and with all our guys doing four of the five events, the final standings were. Neil 4th overall and winner of male veteran class. Peter 6th overall, Brian H 9th, Alex 14th and Brian S 22nd. Don't forget our Pub League Night Score event starts this Thursday.
