They think it's all over.....

....well it is now. After a hectic few months of competitions and events, it's time to kick back and relax. Or maybe start a new training programme.....

There are a few events over the summer, but HALO News is having a holiday. Things to look out for before we return in September are;

LOG - Wolds MMM 26th July

LOC - Lakes 5 Day 3 - 8 August

EBOR - White Rose 22 - 25 August

SYO - Sheffield City Race 30 August

LOG - Lincoln City Race 31 August

Lincolnshire Urban League Barton.....

It was fast and furious racing last Thursday as the LUL reached its conclusion.

LOG seemed to have an unassailable lead coming into the final event. But with some high HALO scoring on the night, the final scores were very close.

On the medium course Paul Van Dam, Helena Crutchley, Chris Simmonds & Luke Snell took the top four places, pushing Jo Nell from LOG into 5th place. That and other strong HALO scoring from Dom Simmonds, Mike Smith, Amanda Ward and Mary Vickers, gave us the lead.

Then came the results from the long course, with Brian and Charlotte Ward both on planning duties, Paul Murgatroyd and Liam Harrington took the top spots for LOG with Thomas Honniball having an unexpected error that put him in 3rd place.

Dave Jolly and Brian Hostad were the first HALO finishers in 4th & 5th places, with Wayne Byrne, Neil Harvatt & Alex Smith all scoring well for HALO on the night.

After an agonising few minutes wait, we discovered that LOG had retained the overall title by only three points.

As well as the team trophy, prizes were awarded for top male and female finishers on the medium and long courses. Congratulations and well done to, Jo Nell, Luke Snell, Charlotte Ward and Thomas Honniball.
