Catch 22.....

Paul Simmons posed the question, "Can anyone get to all 22 controls in 45 minutes?".....to which the answer was no!

The HALO Pub League started again in Cottingham last Thursday, and whilst three runners did get 22 controls, they were all outside of the time limit.

Dave Jolly was closest in 47 minutes, then Brian Ward and finally Ken Hutson. But the time penalties hurt their scores.

Charlotte Ward won, by getting 21 controls in 44 minutes, followed by Neil Harvatt with 19 controls.

A handicap system is being applied to the results this series, so you might end up doing better than you thought.....or as in my case, worse!
