North.....

Hamsterley in Northumberland was the venue for this year's October Odyssey.

Helena Crutchley and Mary Carrick made the journey north.

Helena had a nasty fall on the run in to the finish on day one, which needed medical attention from Mary and the download crew. But despite this she was still 4th on the short blue.

Mary, whilst not administering first aid, ran the short green both days, finishing 12th & 10th and was top W65 on Sunday.

Neil Harvatt planned and controlled this score event, which saw twenty one runners chasing down twenty controls.

Brian Ward, Jake Field and Dean Field got all twenty, with then a group of five getting seventeen controls within the 45 minute time limit.

Neil had a very successful weekend, picking up two medals.
