## **Strictly speaking, it's now autumn.....**

September sees the official start of autumn, the return of Saturday night TV talent shows, but more importantly loads of weekend orienteering events.

Those with the X factor this week were, Yasmin Field, George Van Dam and Elspeth Jolly.

### **Results Roundup.....**

Congratulations go to Elspeth Jolly who was second overall and top junior at last week's LOG indoor orienteering championships on Thursday.

Then on Saturday LOG hosted the Lincoln City Race, this time using the housing estates on the North of the City, where the contours are much fewer. Top HALO finishers were, David Jolly 5th on the men's open, having done his usual Saturday Parkrun earlier. Pete Harris was 8th on the Senior Vets and Brian Hostad was 10th Men's Vets.

Sunday saw events at Loughborough, where Pete Harris was again running, finishing 13th MSV, with Ken Hutson in 25th place. A misplaced control meant the results had to be adjusted.

Meanwhile up the M1 at Sheffield, Yasmin Field won the green course at Bowden Housteads, with brother Joe, just behind her in 3rd place. Rod Williams was 11th and Roseanne Field 19th. Dean Field was 2nd on the brown, with Zac and Jake Field finishing 5th and 12th on the black..

Then further North still, up the A19, CLOK had an event at South Gare, where the Van Dam family competed. George won the green course, Paul was 12th and Emma was second on the orange. Mark Tyska also put in an appearance on the short green, finishing 16th.

### **HALO Pub League.....**

The pub league starts in a weeks time. The format stays the same, a forty five minute score event, starting at 6pm.

The venue details should be on the website this week.

Whilst it's still light at 7pm, late starters might have to consider the hi-viz rules, which

came into force last year.
