## **World Class Orienteering.....**

Yet again HALO plays host to a member of Team GB who has raced at the World Orienteering Championships. This time it was Hollie Orr from LOC, who ran in our Pub League event at Hull University last week.

Needless to say she won, collecting all 23 controls in 26 minutes. Then there was a trio of HALO's Senior Men, Neil Harvatt, Ken Hutson and Brian Slater who also got all the controls, Brian just sneaking in at 44 minutes 29 seconds.

David Jolly got 22 controls in 28 minutes, suggesting he missed one out and you weren't allowed to go back with this format.

Thanks go to Paul Simmons for planning and to those who placed and collected controls on his behalf.

## **News Roundup.....**

Not a lot to report from a quite weekend locally, however I did notice Ken Hutson ran in NATO's Urban event at Cramlington, finishing in 5th place on the medium course.

Next weekend however is very busy. There is a HALO event at Cottingham's "King George V" Playing Field on Saturday, which includes some urban running on the longer courses.

Then on Sunday LOG have an event in the grounds of the Burghley stately home at Stamford.

Plus it's the CLOK October Odyssey for those that pre-entered.

The venue for HALO's Annual Dinner has been confirmed as Harrison's in Barton upon Humber. Please contact Helena to secure your place.

## **HALO Pub League.....**

Tonight's event is at Broughton. Meet at the Red Lion on the High Street for 6pm starts.

Local HALO member, Luke Snell is planning the event.
