## "Going that extra mile....."

HALO people were on podiums far and wide last weekend.

Charlotte Ward had back to back wins at urban sprinting. Firstly at EBOR's Easingwold event on Saturday and then at Chester on Sunday.

David Jolly was 3rd at the RAFO National Championships on Sunday, held in the Forest of Dean and organised by BOK.

Meanwhile Helena Crutchley was 1st on the short green course at the EBOR Skipworth event on Sunday. Emma Van Dam was 3rd on the orange course and Jake Field was 3rd on the brown course.

Then Alex Smith was 1st long technical, Brian Slater was 1st long orange and I was 1st technical, at the HALO event in Grimsby on Saturday!

## News Roundup.....

Last week's Pub League event was at Beverley.

Mary Carrick (7th short green at Skipworth) planned an excellent event, with Neil Harvatt (5th at Krakow sprint) hanging the controls.

Charlotte Ward and David Jolly were the only two who collected all twenty one controls in the correct sequence. Charlotte just under the time limit, David just over.

In fact ten people got time penalties on the night.

Brian Ward has posted a go-pro video of Charlotte's run on the website.

Last Saturday Wayne Byrne (9th RAFO Champs) planned a HALO League event at Willows & Freshney and definitely went that extra mile. (as did those who competed!)

The event was worthy of any regional competition, not just a Saturday morning training event. He used 35 controls and produced five very different courses.

I ran the 4.8km technical course, which was a joy to run, despite covering 9.1km.

Meanwhile from a bar in Krakow, Pete Harris has filed this report,

*There was a group of orienteers from HALO*

*Who entered a night sprint event in Krakow*

*After a session of beer and vodka at dinner,  
They all believed they would be the winner,  
But alas, they were only in training for tonight's Pub-O!*
