Winners & Dinners.....

The Club Championships took place last Saturday at the Humber Bridge Country Park. Stuart Whittingham planned an excellent event, with the green, or technical, course being used for the Championships.

Neil Harvatt set off almost last, having been manning the registration desk, and after a quick comfort break, he was on his way. He knew David Jolly and Carl Henrickson were out there setting fast times, but in the end it was Pete Shew he had to beat, which he managed by just two points. So congratulations to Neil, our new Club Champion.

Full results can be found on the website.

Neil also won the pub league event at Bottesford last Tuesday. He was quickest collecting all twenty controls, just ahead of David Jolly and Dean Field, and is certain to be crowned Pub League Champion. Thanks go to Brian Slater for planning last week's event.

Now all of this should make for an interesting Annual Dinner and Awards evening. With at least two trophies to collect, Neil is in for a busy evening as he's also our host, compere and Chairman!

If you wish to attend the awards evening, there are still some places available. This year we're dining at Harrisons' Restaurant in Barton, on Saturday 21st November. Helena has put the menu options on the website, so why not come along?

News Roundup.....

Thanks very much to Paul & Patricia Simmons for hosting this year's AGM last Saturday. The addition of afternoon tea was much appreciated.

All the existing club officials were voted back in for another term of office, with ongoing thanks for the work that they do.

Neil gave a summary of the club's successes this year, whilst John Butler summarised the business side of things.

Other areas of discussion were how to increase participation numbers at our events, which will be discussed further at the next committee meeting.
