Night & Day.....

SYO hosted two events last weekend at Ramsley Moor near Sheffield, a night event and a Sunday colour coded event.

Only Mary Carrick competed in both, but Saturday night belonged to the Field Family. Dean was 4th on the long course, Yasmin was 1st on the medium and Joe was 1st on the short course.

Mary retired on the Saturday night, but was back again on Sunday, here's her edited report.....

".....Sunday's run was better, although I did enter the green. Fine up on moor....but then, oh woe, back in the head-high bracken and undergrowth in the woods - lost at least ten minutes getting to penultimate control, where wasted another five minutes over a really easy one. Tried to race the Murgatroyd back to the finish - you can guess the result! Ended up 37th out of 45 in 85.45 minutes but was 2nd W65, longest time out was 105 minutes. If it had been all on the moor top, it would have been a different matter, where even beat the Butler on similar legs - or bums, as kept falling over in the deep bogs. He came 9th out of 29 in the Short Green..... "

Some Good News.....

I had a very welcome email from Mike Smith last week to say that he has finished his chemo and is in "FULL REMISSION". He's looking forward to competing again soon and would like to thank all those who sent goodwill messages. Great News Mike!
