

### HALO Pub League.....

Tonight's Spring Pub League event is at The Kings Head Tealby.

Isoldt Harris is planning, with starts from 6pm, or earlier.

For the optimum route you will have to do some off roading....so be warned.

Thanks to Paul Simmons for planning last week's odds and evens event at Cottingham.

Mike Byron managed to get all 20 controls again, this week in a time of 54 minutes. David Jolly managed 18 within time, with Pete Harris and Dean Field on 16. Pete took the handicapped win on the night, for the first time this series.

### Poacher Countdown.....

Not long now until Poacher 2018 begins at Swallow Vale. The first event is being planned by David Jolly. The second week we're at Willingham Woods with Isoldt planning. Although how she will do that as well as plan a surprise 60th birthday party I don't know. Other attractions in the series are, the World Orienreering day at Primrose and a micro sprint event at Kingsway Gardens, Scunthorpe.

### HALO.....

HALO will be in the news a lot next weekend, and not just for the Night Challenge.

The 2018 Formula One season starts, and HALO is the new elliptical safety device fitted to cars, designed to prevent head injuries.
