

Up to Standard.....

You may notice that the usual standard of editing / results research / timeliness of issue and wittiness of headlines has been reduced this newsletter. Your usual esteemed Editor is unwell and I have taken the reigns (or halter?) until he is well enough to be back in the editor's seat. We all wish him well.

Lincolnshire Poached.....

Thanks to Brian S for planning the final Poacher (11) event, a week last Wednesday evening at sunny Cleethorpes. Thanks to the control collectors and to Peter H for organising the whole series, including the venues, the planners, the prizes, the reports, the social and all important Post Race Analysis, the weather.....etc
You can read the latest report on the [webpage](#).

Urban Events.....

Two Urban events took place in Gainsborough on 22 June. Much credit to Helena as organiser. The YHOA Sprints Championships gave us several Klaxon soundings and a champion in Mike Smith, Men Hypervet. The Middle Distance Urban gave similar results with Charlotte out of the planning role and onto the top step of the podium.

A few keen urban runners (PH moving from planner to controller) ran at the EMOA Sprint Champs at Witham St Hughes hosted by LOG. The races were a fast and exciting, Prologue and Chase. If you want a bigger challenge, here are the [results](#).

The poacher series has been and gone which means we are properly into summer now. Wednesday orienteering is now the Lincolnshire Urban League. Round 1 was in Sleaford last Wednesday on a new map of the Quarrington suburb. Round 2 is also on a new map in home territory at [Cleethorpes](#). [Haverstoe Park](#) TONIGHT!

Hollicars Wood aka Escrick.....

Nine HALO went to the EBOR event on Sunday, braving the blue and grappling with the green. Maybe those on Light green hoped that the course colour would reflect the map colour? Quite a bit of undergrowth (green stripes) is the news that has filtered out so well done for the results achieved, available to view [here](#)
