POACHER 8 and LCS Preliminary Details
LODGE MOOR and KINGSWAY NATURE RESERVE, SCUNTHORPE
WEDNESDAY 16th JUNE

The event is in 2 parts.
Pre Entry Only via HERO – entries close Monday midnight June 14th

Part 1 – Prologue Sprint (Lodge Moor)
Map Scale 1:2500 A4
Distance Approx 1.8kms
Urban Terrain in Complex Housing Estate
Same Course For All
Starts between 5.30pm and 6.30pm at one minute intervals (if over 60 competitors some time slots may be reduced to 30 seconds)
Road Shoes – shorts ok.
Timings are tight so need to start promptly.
Once Finished please do not share map with those who have not run.

Part 2 – Chase (Kingsway Nature Reserve)
Map Scale 1:4000 A4
Distance Approx 2.8kms
Former Golf Course with large open areas, multiple copses and area of woodland with multiple paths.
There will be 6 variations of the same course with 3 butterflies (competitors will complete the butterflies either clockwise or anti clockwise). The variation that each competitor competes will be random, dependent on which map they pick from the box.
No loose descriptions but on the map as you will not know which variation you will be running.
We are not permitted to have a mass start but can have 6 starters each minute, ideally potentially slowest first. Each 6 will start fro m 7pm and if there are 60 competitors for example, the fastest 6 will start at 7.09pm.
Road shoes may be ok dependent on rainfall prior to event if wet trail shoes recommended.
Probably best not to wear shorts as the height of the grass, nettles and woodland brambles not known.

LOGISTICS
Parking
There are a number of options:
In Nature Reserve – **note this will close at 8pm** this is adjacent to Second Part Start and Finish but 1km from Sprint start and Finish
At Retail Park – where some outlets have toilet facilities, this is 500m from Sprint Start and 1500m from Nature Reserve.
Approach road to Nature Reserve (do not block driveways or area near download car)
or a combination of the above by moving car between courses

POACHER
Those who have run at 2 previous Poacher Events will be eligible for Points – they will be split into their normal Course (Short, Medium & Long) .

PRESENTATIONS

This is not a priority but if feasible and all results have been formulated in time – Poacher and LCS trophies may be awarded – venue to be determined on the day.

CLUBS

Although a Club competition between HALO and LOG other Orienteers are more than welcome.
