

At the recent HALO AGM it was decided to try and produce an electronic newsletter for HALO members. The idea being that we could recap recent events and direct you to forthcoming ones. The HALO website will still be the main contact point for information <http://www.halo-orienteeing.org.uk> along with twitter and facebook feeds. If you have any comments or copy for future issues please email simmonds216@btinternet.com Thanks in anticipation, Chris.

Other AGM News, Chairman Brian Slater thanked all the hard working volunteers and committee members who keep the club running week by week. He also handed out awards for the various league events that have run throughout the year. Special mention goes to **Neil Harvatt** who won not only the Club Championship Trophy, but was also crowned "Orienteer of the Year". Well done Neil.

Thursday Night Pub League, the first mini series of the season has already taken place. The pub league saw events take place in Broughton, Beverley, Brigg and Cottingham. With three out of four scores counting, Thomas Honniball won the league, with Brian Ward second and Neil Harvatt third.

Saturday League events are already underway, with Humberside Country Park and Weelsby Wood events completed, the next outing is on Saturday 9th November at Primrose Warren, with starts from 1pm until 3pm.

A Night League mini series is about to start. It will consist of four 45 minute score events, the first being at Normanby Park South on Thursday 14th November, with starts from 6pm. If you've never tried night orienteering before this could be a great way to start, just dib any control you find, and get back within the time limit! Meanwhile the weekend of 26th/27th October saw the Ward Family and Mary Carrick all doing two O events.

Mary competed in the Twin Peak 2013 with a forest event at Macclesfield and an Urban event in Stockport.

The Ward Family competed in both the Cambridge City Race and the Stockport Urban.

Next weekend a few HALO members are off to Roma 2013. We wish them "Buona Fortuna" and look forward to some Italian tweeting
