HALO News 3

Last Saturday, **Mike and Dorothy Smith** planned the four courses at **Primrose Warren**. The technical course was a Norwegian course. This involved having to navigate with a map that only showed the start, finish and first control. At each control there was then a small piece of the map, showing you your next control. For those who like to "flow through" a control site, this constant stopping broke their rhythm. Whilst for those of us who like to have a rest, it provided ample opportunity. Thanks to Mike and Dorothy and to all those who attended and organised. Full results are on the website now.

Sunday saw some Orienteering near Sherwood Forest, organised by NOC.

**Emma Van Dam** completed both the yellow and orange courses, finishing in the top half on both. **Amanda Ward and John Butler** completed the short green, finishing fourth and sixth respectively. Whilst **Brian Ward** finished first on the green. Well done to all of you.

Brian is back to his preferred urban environment next Sunday (17/11/13) but as a planner for EBOR. **The Peasholm Park event in Scarborough** is one of the HALO League events, and the area covers a park, cemetery as well as urban areas. Details at [www.eborienteers.org.uk](http://www.eborienteers.org.uk)

Before that on Saturday (16/11/13) you have a choice of events. The **HALO Saturday League** continues with an event at **Beverley Westwood**, starts from 1pm. Whilst LOG continue with their Winter Series at Greetwell Hollow. LOG are also planning on making an appearance

## HALO People

Since I don't have any other news stories this week, meet a new member of HALO.

He (or she) doesn't have a name yet, or a place to live. So if you'd like to win HALO Bear please email your suggested names to, [simmonds216@btinternet.com](mailto:simmonds216@btinternet.com). The result and winner will be announced next week.

I have been asked, if I could remind people, that HALO training nights are held each week during school term time. Beverley training night is on a Monday, whilst Grimsby and Scunthorpe nights alternate each Wednesday.

Back next week.
