HALO News 5

**PARK LIFE.**

Last Saturday saw Brian Slater organise a league event at Cleethorpes Country Park. There is a detailed report with all the results on the website. Next Saturday Neil organises the event at East Park Hull. Courses from white to technical, starts from 1pm.

**NIGHT FEVER.**

Tomorrow night is the third fixture in the Night Score League. This is taking place at Brumby Hall & Central Park in Scunthorpe. Meet at Brumby Hall Sports Centre, which is behind The Pods leisure centre. Starts are from 6pm, please email Neil for a map if you are new to this series of events.

Last week the night event was at the Humber Bridge Country Park. It was very close at the top, with five people collecting all 20 controls within the 45 minutes allowed. It was then a matter of who was quickest. In this series points are deducted for being over the allotted time, as per usual. But you can also gain points for each minute you finish under the time limit, providing you have visited all 20 controls. So it was Dean Field who beat son Jake by 26 seconds to take top spot. Brian Ward, Brian Slater, and Brian Hostad took the next three places.

There is a league table now available on the website, showing the points tally at the halfway stage of the series.

**SIMPLY THE BEST.**

A few impressive results in recent competitions to tell you about. The Scarborough Urban event was the last of the YHOA Yorkshire Urban League. This is a series of 12 events over six months, to be in with a chance of winning you

**HALO People**

Last Saturday Brian Ward and Brian Hostad put in good runs at the LEI Ashby de la Zouch Urban, along with Pete Harris and Amanda Ward. I only spotted the Van Dam family and Mary C at the CLARO Brimham Rocks Sunday event. But George was first, Emma second, Paul fifth and Mary thirty third on their respective courses.

So no one did back-to-back events at the weekend (that I spotted) However over the last week, Brian Ward and Helen Smith did the EBOR night series on Wednesday and the the HALO night series on Thursday. Mary Carrick did a night event at Knaresborough, followed by the day event at Scarborough, and Pete (118) Harris managed to squeeze in the Market Rasen 10km the other Sunday.

If you have any news, or are doing events that I've not spotted, please get in touch. I'll try to mention a few more of you next week.

On the Women's Open Class, Charlotte Ward was first, with Helen Smith second, a fantastic result.

In the Men's Veterans Class Brian Ward was second and Brian Hostad eleventh. Amanda Ward was ninth in her class (WV) and Mary Carrick was eleventh (WUV), despite only competing in five events.

Sunday 17th November saw the British Schools Orienteering Championships take place at Derby. There were some excellent results from George and Emma Van Dam, as well as Jake, Yasmin and Joe Field. All competing in their respective school year groups.

### HERE COMES THE WEEKEND.

I've already mentioned the HALO event at East Park on Saturday. LOG have an event at Bardney also on Saturday. Whilst on Sunday, NOC, have a local event at Colwick Woods, Nottingham.
