HALO News 10-14

The main headlines this week.....

The HALO pub league kicked off in Kirton in Lindsey last Thursday. A good turnout was boosted by LOG switching their training event. Pete Shew drew the map and planned the event, placing 25 controls strategically around the town.

Seven runners managed to collect all controls within the 45 minute time limit. Peter Harris and Sean Harrington also thought they had all 25, but miscounted or mispunched, only getting 24. Liam Harrington from LOG was quickest, followed by Paul Murgatroyd and Brian Ward.

Saturday saw a Mary Carrick event at Beverley Westwood. The sun was shining, the breeze strong and the planning intricate. On the technical, Mary sent us into the "Pit" for 4 controls before heading us out onto the Westwood. Alex Lines was quickest, followed by Brian Hostad and Mathew Wells. For the third time in a week, I was beaten by our Chairman Brian Slater. Looks like I should be attending his training sessions!

There were plenty of youngsters present, boosted by the Scout group. Full results are on the website.

The big event on Sunday was at Stoodley Pike in West Yorkshire. The EPOC event attracted the Van Dam and the Field families. Notable results from George winning his light green course, Yasmin was third on the Green and Zack was third on the black. A quick mention for John Butler and Mary Carrick who both ran the short green, having been running at Westwood the day before.

News in brief.....

Brian Ward ran at the EBOR Scarborough Sprint event on Saturday, finishing second on both

combined times gave him the overall win.

[Meanwhile Ken Hutson was in Livingstone near Edinburgh, running the SOUL urban event and finishing 25th.](#)

Plus, Halo members, Wayne Byrne and David Jolly were at the RAFO Spring Sprints held at RAF Boulmer last Wednesday. Courses were urban very short sprints, both came away with medals. Gold for Wayne in the Team relay and bronze for David in the individual competition.

Sunday 23rd March, LOG event at Burwell & Haugham near Louth, with Peter Harris controlling.

Sunday 30th March HALO Regional Event at Houghton Moor.

Neil and Ken are organising this event and very much need help on the day. If you are able to volunteer, please contact them as soon as possible. Thanks.

and finally....

I don't quite know how Brian Ward and Peter Harris ended up running the Blue Women course on Sunday at Bentley Woods. Their wives, Amanda and Isoldt, were quite happy running non gender specific courses !! Brian however did finish second.
