## Reigning in Manchester....

Charlotte Ward won the Manchester Urban Women's Race last Sunday, but was also "crowned" overall winner of the Women's Open Class.

Taking place over two days, the MDOC Twin Peaks Urban Orienteering Event, combined campus sprints on Saturday, with urban running on Sunday.

Brian Ward was third overall in the Men's Veteran class, whilst Amanda Ward was 14th Women's Vet and Wayne Byrne and David Ward were 20th and 25th in the Men's Open. Big congratulations & well done to Charlotte and the other HALO runners.

Results of both days and combined positions are here....

### **Poacher 2014 Week Eleven.....**

Well done and thanks to David Jolly planning the five courses at Hemswell Cliff Antique Centre last Wednesday.

This week Neil Harvatt plans the final event at Normanby Park South, which includes the Handicap Cup. We've been promised "not too much of the nasty stuff" as the competition comes to an end. After the running, there will be a chance to picnic in the park and watch the prize giving.

Results and the league tables thus far, are on the HALO website, <http://www.halo-orienteering.org.uk>

### **Lincolnshire Urban League.....**

The second annual LUL competition between HALO and LOG started last Thursday in Lincoln. LOG take an early lead in the competition, with wins on the medium and long courses.
