Whitby....

The Whitby Urban Orienteering event, organised by CLOK, took place last Sunday. Charlotte Ward took her third win in as many weeks on the women's open course, with Brian Ward third on the men's open.

Other HALO runners also did well, Brian Hostad 15th (MO) Paul Van Dam 10th (MV) and Pete Harris 14th. Amanda Ward was 31st (WO) whilst John Butler was 17th (MSV) and Isoldt Harris was 9th (WV) Fish & Chips for everyone afterwards no doubt!

I'll do an update on YHOA / National urban league positions next week.

Lincolnshire Urban League.....

Round three of the LUL competition took place at Branston, near Lincoln last Thursday. The courses planned by LOG were ideal for runners, with very fast times, and close final placings.

Brian Ward and Luke Snell were the top HALO finishers on the long and medium courses. Both finishing third on their respective courses. Well done guys.

Results and league standings are on the LOG website. <http://www.logonline.org.uk>

Poacher Post Scripts.....

The Field Family are quite used to picking up the odd trophy or two, in fact at Poacher 2014 they collected five. (Dean 2, Joe 2, Yasmine 1)

However at the last event at Normanby Park, Joe was perhaps their star performer. On difficult courses, he had his best run of the series, winning the medium course, which in turn guaranteed him the Handicap Cup, and also made sure of the Junior Trophy. Well done Joe.

Thursday sees the fourth round of the LUL take place at Broughton, near Scunthorpe.

No orienteering locally next weekend. So it's a choice between F1, Wimbledon, TdF Grand Depart and World Cup Football.

**POACHER PICS.....**

Joe Field collecting one of his two trophies.

**WOC 2014.....**

The World Orienteering Championships take place in Italy next week. However next year, WOC2015 takes place in Morayshire and coincides with the Scottish 6 Days. Details are on the BOF website.
