Poacher Week Three....

Another good turnout last Wednesday night at Halliday Hill. Thanks to planner Brian Ward and the usual Poacher team. This week we're at Osgoodby near Market Rasen, meeting at the **Ten Acre Cafe**. Could Bramble Pie be on the menu, as David Jolly plans the usual three courses of orienteering?

Pete Harris has results and comment from last week on the [HALO](#) website. The juniors are dominating the medium course this year, whilst Paul Murgatroyd and Liam Harrington dominate the long course. Paul has two wins to his credit, but interestingly at LOG's own Spring Series that scoreline is reversed. We'll keep a watch on how things develop.

CLARO Hookstone Woods.....

The latest event in the HALO league took place last Sunday at Harrogate, in what were pleasant woodlands and open fields.

Brian Ward was tempted back into the forest after his various planning duties and was rewarded with a 10th on the blue, whilst Amanda Ward was 30th on the green.

Brian's posted a video of his run [here](#) including a rare error.

Then it was a battle between the girls and the boys. With Helena Crutchley finishing 28th on the blue, ahead of Alex Smith. Helen Chan finished 12th on the green ahead of me, Chris Simmonds. Then Mary Carrick was 6th on the short green, ahead of John Butler. Splitbrowser on the [CLARO](#) website shows how events unfolded.
