## Poacher comes to town....

As the Lincolnshire Poacher grand finale gets ever closer, another competition comes into view. The Lincolnshire Urban League, or LUL, is starting a earlier this year and shares its first event with the penultimate Poacher at the Willows housing estate in Grimsby, so points will count in both leagues.

Full details of dates and venues for the LUL are on the [HALO](#) website.

### Urban Weekend Results.....

There were two Yorkshire Urban events last weekend. On Sunday CLARO hosted the Knaresborough Urban followed by EBOR hosting the York Urban on Monday. A total of nineteen HALO runners competed, seven doing both events, namely Brian & Amanda Ward, Danny & Helen Chan, Mary Carrick, Pete Shew and Paul Van Dam.

We had podium places at York, with George and Emma Van Dam both finishing third in their classes. Then Neil Harvatt was second MSV, missing out on the top spot by only 14 seconds.

This Wednesday we're at Hendale Woods, where the planner is Paul Simmons, no doubt grateful for a rest after running the BUPA 10k on Monday.

Pete Harris has the Poacher report, results and analysis on the HALO website.

### Humber Bridge Country Park.....

There was a good turnout at the HBCC event last Saturday. Thanks to Neil, Mary and Brian for organising. There were plenty of juniors and first timers, as well as HALO regulars. It's also worth mentioning that Neil and Brian Slater are currently doing a lot of school events across the region. These are qualifying heats for the Sainsburys' School Games finals to be held next month.

With all these events at the moment, you have to keep up with the washing
