A Swift Half.....

The HALO Pub League got underway last week with some very fast times. Both Charlotte Ward and Liam Harrington got all the controls in half an hour. A further six managed to collect all twenty five within the forty five minutes allowed, earning them bonus points on the night.

Thanks go to David Jolly for planning and to those who collected controls.

Results Roundup.....

Neil Harvatt ran day one of the Dales Weekend and Northern Champs, finishing 13th on M55.

On the Sunday, the best result was probably Joe Field's 8th position on the light green course. Results are on the AIRE website.

Last Saturday saw the first SHALOL event at Havelock Academy. Thanks go to Brian Slater for organising and planning and to the small but keen group of orienteers who came to run. Results are on the HALO website.

HALO Pub League.....

Tonight's event is at Hull University. Meet at the Sports Centre on Inglemire Lane for 6pm starts.

Paul Simmons is planning the event, with a slight twist on the odds and evens format.
