

Pillar Woods.....

A lovely sunny day for our regional event, thanks go to Wayne Byrne for planning the eight courses required. Organisational support came from Brian Slater, Ken Hutson, Neil Harvatt, Pete Shew, and a whole load of HALO helpers.

Some good results from HALO runners, 1st on the yellow was Flora Jolly, 1st on the orange course was Elspeth Jolly, Ken Hutson was 2nd short green, Rod Williams 1st green, Neil Harvatt was 5th on the blue, George Van Dam 4th brown and Mike Byron was 3rd on the black. Thanks to all those who attended or helped out.

Pub League.....

Last week Neil planned at Beverley North and did well to site controls using only the pdf map on his phone. At the halfway stage of the pub league a pattern is starting to emerge, only three people got all 20 controls, David Jolly was quickest, but Mary Carrick won again, thanks to the handicap system.

Tonight I'm planning Willows & Freshney, and since at least one control is bound to get stolen, no one will get all twenty.

Do come along.....meet at The Trawl, on the Littlecoats roundabout, starts from 6pm.

Club Champs.....

Last Sunday's event at Pillar Woods was also our club championships. I'm fairly confident to say congratulations to Helena Crutchley, she was leading the way, the last time I saw, and looks certain to have won the title.

Poacher Planners et al.....

Due to new rules coming into effect on the first of January next year, anyone who plans an event, has to have been on a safety course. Ken Hutson, our accredited safety officer, is to run a one night training session in November. We have a lot of members who may only plan one or two events a year, and it's vital to keep these numbers up if we're to offer as many events as we do. More details nearer the time.
