

Pub League.....

So last week, nearly everyone got all twenty controls and no Si boxes were stolen, despite my predictions. Then I went and forgot the finish box, leaving it tied to a railing for 48 hours before collecting. It's a long story....

So well done to the Willows and Freshney areas for restoring our faith in you, well done to all those who competed and well done to the Trawl for looking after us, on what was a very busy evening. Full results and league positions are available on the website.

Tonight we're at the Goldcrest Pub on Victoria Dock, with Paul Simmons planning, normal service resumed.....

Carry On Planning.....

Following on from last weeks news, Ken Hutson will run a one night training session on planning safety, it will take place on Wednesday 23rd November at Wootton Village Hall in N Lincs. Invites to be sent out shortly.....
