

### The Lincolnshire Poacher.....

The Poacher series continued last Wednesday in beautiful weather at Swallow Vale. Thanks to Isoldt for planning three excellent courses and to Pete for the map updates.

Well done to Hannah, Holly & Joe on winning their respective courses.

As we approach the halfway stage of the Poacher it's time for some stats. So far only two planners have played their jokers. The leaders of each league have all scored the same number of points (245) but do not have the most wins. Pete Shew currently leads the battle of the M70s on the long course. Last week in the pub after Swallow Vale, five people had pizza with a side order of chips.....(enough stats Ed)

Tomorrow night we are at Twigmoor Woods, where Brian Hostad is planning. Starts are from 6pm or earlier. You can check out all the details on the HALO website.

### YHOA Sprint Champs.....

EPOC hosted the Sprint Champs at Golcar last Sunday. The results posted are by course rather than age class, so working out who came where is difficult.

I think I can say with some certainty that Emma Van Dam is WJ Sprint Champion, as she is the top female finisher on course number one, so well done Emma.

Other HALO runners, Brian W, Helena, Mary, Paul seem to be around 10th in their age group, with the exception of Wayne Byrne who was 4th MO.

### World Orienteering Day.....

WOD is on Wednesday May 24th, when we have our Poacher/Lincolnshire Challenge Shield event at Primrose. Pete Harris has put details on the HALO website of how the evening will work and is asking if you can pre-register, so he can allocate maps.

Combining Primrose with the LCS should mean the competition is in tents as ever.
