

Londesborough Middle Distance.....

Thanks go to Mary Carrick for planning last Saturday's event at Londesborough, and to Brian Slater for organising, plus of course the numerous HALO Helpers on the day.

For some the hardest part was finding the first control, then battling the undergrowth, and then coping with the steep climb..... but enough about me.

The top finishers who overcame all of this were,

Kate Gymer 4th vsh green, Mary Vickers 6th short green Emma Van Dam 7th green, Helena Crutchley 4th blue, Megan Smith 3rd brown and Mike Byron 6th black.

Brian's worthwhile report of the day is on the HALO website.

Club Champions announced.....

Now that both Club Champs have been run, the winners have been announced.

For the first time there are two champions. Brian Ward won the urban champs at Selby and Helena Crutchley won the cross country champs at Londesborough. Congratulations to them, and to Emma Van Dam, runner up in both events.

Musical Chairs.....

Following on from the AGM, congratulations to Pete Harris on becoming the new Chair of HALO and a big thanks to Neil Harvatt for his hard work over the last three years.

Chesterfield Suburban.....

DVO held an urban event last Sunday on the outskirts of Chesterfield.

Top finishers were Brian Ward 2nd M55 and Emma Van Dam 2nd W16.

Along with Emma, Paul Van Dam and Pete Harris were having their second run of the weekend, whilst Ken Hutson & Brian Slater got the chance to actually compete on M65.

Postcard from a Virtuous Lady.....

The Compass Sport competitions mentioned last week took place on an area called Virtuous Lady. In the post event write up, these comments amused me.....

"Due to a road closure and a marked diversion past our car park. A learner driver followed a number of orienteers into the car park before asking why they were being brought that way."

"The Safety Officer who had issued a warning on the day about hawthorn bushes and the need for people to cover their heads, was herself a visitor to First Aid for a hawthorn inflicted head injury after her run."
