

HALO Pub League.....

Tonight's Spring Pub League event is on at Barton.

After last week's postponement, the Pub League is back and at a new venue, the White Swan Barton. The White Swan is on the north side of town, near the railway station and Tesco's.

Helena Crutchley is planning a forty five minute odds and evens score event, and has arranged for the pub kitchen to be open especially for us. Starts are from 6pm for those wearing hi-viz and headtorches.

Postcard from Pete Kullich.....

Just read the Halo News whilst camping in Western Australia. Needless to say won't quite make it to the Nags Head Quiz tonight through the snow, its 28 C here !

Compass Sport Trophy.....

The CST is next Sunday at Canklow near Rotherham. Those who have entered should have received an email from Neil showing their start time.

Word of the week.....the snowball effect

A mutual follower of mine on Twitter posted a picture of their front gate in the snow last week. They have two thousand followers and I was the 6th person to 'like' the photo.

By the end of the day it was at 20k likes, the next day 75k, and it's now at 157k likes.
