

Putting on the Greens.....

Saturday 6th July was YUL (Yorkshire (& humberside) Urban League) event number 9 of 14 at Baildon. There were 6 HALO running, all on Green courses. Three on Green and three on Short Green. SuperVets, UltraVets and HyperVets out flying the Green and Blue of HALO. Results and routegadget [here](#). There's also a link to the YUL website to have a look at the latest standings.

Yvette Baker Trophy Final.....

Sunday saw the final of this national junior club competition at the Sandringham Estate in Norfolk in glorious sunshine.

The young HALO team entered and performed brilliantly. With the most experienced HALO juniors being unavailable, the young team managed 6 entries (including 2 pairs) across all 4 courses (Yellow, Orange, Light Green and Green.) This didn't play for a maximum points but gave a suitable challenge to all competitors which they rose to with great credit.

Result: 9th place. Not a bad placing in an England and Wales competition and one to work on.

Brian Slater ran on Green in the morning. Although it was later found that he was ineligible for the YBT, he had done a great job in the forest flattening some of the undergrowth, which was in places "huge."

North (allerton).....

MaryC, JohnB, BrianW, AmandaW and PaulVD all ran at Northallerton, grabbing some YUL points.

These courses were given letters rather than the current method of using the colours. If HALO news finds out more about this discrepancy and the reasons behind it, we'll report it here.

Brain Ward tops his class with an unassailable lead and only one point off maximum 100s.....so far. Others with positions still to play for!

Lincs Urban League Events.....

Wednesday orienteering is now the Lincolnshire Urban League. Round 2 was on Brian Slater's new map in home territory at Cleethorpes. Haverstoe Park. A great new map and excellent courses, thanks to Brian for both. Have a look at the results page [here](#) including a report.

Next event is LOG one on Wednesday 10th July, starts from 5.30pm 'til 7pm in Nettleham on a newly updated map. [Details](#).
